Tell Me More – Revision Cards

In the late 1950's Kinnear & Calvert created a new typeface and pictograms to give drivers information. Their signs are clear, uncluttered and easy to read whilst travelling at speed.

Examine the Exam

- How long is your exam? Total Marks ? Date?
- Does the exam clash? What are the arrangements?
- Give me **5** top exam tips for our exam.
- Are there optional sections?
- What equipment will you need for the exam?
- Explain the following terms: Assess, Discuss, Evaluate...
- Explain your approach to the 8, 10, 12, 20+ mark questions.

Top Tips for Exams

- Remember what worked before and changed what did not when revising for your MOCK exams!
- Next set of Mock Exams 16-20 April. Revise!
- Read questions carefully, make sure you understand it – give them what they want.
- Get equipment ready the night before!
- Check your timings of Exams & Questions.
- If you have a choice – Best Question First?
- Don't leave exam early – check & check again.
- Have some downtime each day / weekend.
- Stay hydrated and sleep/eat well.

What next?

- Use the calendar – pencil in use
- Work backwards – how
- Split up your syllabus
 - Do you know the specification?
 - Do you have your revision cards?
 - Have you practiced examination questions on every possible topic?
