Dear Year 7 Parents / Carers

## PERSONAL, SOCIAL AND HEALTH EDUCATION

Government regulations require that all schools inform parents whenever their Personal, Social and Health Education contains relationship and sex education and other related issues. The PSHE programme covers many topics relating to your child's wellbeing. They includes the following areas:

- Emotional well-being
- Healthy relationships
- Sexual Health
- Alcohol & Drug Awareness
- Cyber safety and Life online
- The Media – including areas of sexualisation, pornography and sexting

These are just some of the areas delivered at the appropriate stage of your child's development. The issues are approached within the context of the Department for Education's Guidelines, within a moral framework and in the context of the family, and above all, in a sensitive and positive manner.

If you would like further information, please do not hesitate to contact me. A copy of the School's Relationship and Sexual Education Policy and Drugs Policy can be viewed on the school website or a hardcopy provided on request.

Please could you acknowledge receipt of this letter by completing the reply slip below and returning it in the envelope provided.

Yours sincerely

**Mr Rhys Phillips**  
**Acting Principal**
