**16 TO 19 BURSARY FUND – 2021 / 2022**  
**LEARNING AGREEMENT FOR BURSARY STUDENTS**

The main aim of the 16 to 19 Bursary Fund is to support students financially in their further education studies. We, as a School, have a duty to ensure that students comply with the following criteria:

1. Students attend both registration and lessons;
2. Students are required to have an attendance rate of more than 95%;
3. Students apply themselves to their studies particularly in regard to effort;
4. Students meet the deadlines set by individual subject staff;
5. Students conduct themselves in accordance with the expectations of the Sixth Form.

The Bursary payment will only be authorised after giving consideration to the following criteria:

- All your absences from school must be authorised by the school. In the case of appointments, driving tests, university visits, interviews, etc you must notify the school in advance. If you are ill or organise an emergency morning appointment, you should telephone the school to notify us. Any holidays planned in term time will result in your payment being stopped, unless it is cleared by the School.
- You must catch up any work missed through absence. On the first day you return to school, it is your responsibility to talk with the relevant subject staff to ensure that you do not fall behind with your studies.
- You always come to school fully prepared for your classes, ensuring that you have with you the appropriate books and equipment for the class. All timetables lessons must be attended.
- You have consistently maintained good standards of work and met course work requirements including completing homework by the appropriate deadlines.
- You have made a positive contribution by fulfilling any additional commitments, for example, work experience, community task, voluntary service, conference, field trips, sporting activities, etc.
- Your commitment to subjects is judged as good or excellent by all your subject teachers. This must be reflected in your Formative Assessment Tests and any other documentation called for by the Acting Head of Sixth Form / Tutors. An unsatisfactory Effort Grade will be deemed a failing criterion for the termly payments.
- Your academic progress is judged to meet or exceed any target minimum grades that you have been set in the light of teacher assessment and LAT data.

I understand that failure to comply with the above will jeopardize my Bursary payment.
