September 2021

Dear Parents / Carers

## GCSE Geography Revision Resources

We are pleased to offer our GCSE Geography students two invaluable resources for their personal use.

The first is a **Revision Guide** which has been designed specifically to help students revise for their three OCR B GCSE Geography papers. The content in this revision guide exactly matches the content for each theme in the GCSE Geography OCR B student book which we use in class and students have access to online.

The second book is **exam practice**. This book works alongside both the student book and revision guide, containing numerous features to help students prepare for exams. These include a section about each exam paper, how exam papers are marked and how to aim for the highest grades. It also contains detailed guidance on how to answer questions about specific topics using extended writing for 4, 6, 8 and 12 marks. Finally, it also contains two sets of exam papers, with space to write answers, with an online mark scheme.

Therefore, I would like to provide the opportunity to purchase both items to support your child's GCSE **Geography** syllabus:

Item	Cost
GCSE GEOGRAPHY OCR B <b>REVISION GUIDE</b>	<b>£5.39</b>
GCSE GEOGRAPHY OCR B <b>EXAM PRACTICE</b>	<b>£4.79</b>

As an educational establishment we are able to offer these resources, from Oxford University Press, at 40% less than the recommended retail price. Your child has had the chance in class to view each of these items during their lesson.

**The School's only method to purchase and pay for these resources is via our Online Shop available [here](#). These items will be available to purchase until Thursday 7 October 2021.** Orders will be delivered direct to School and normally take about two weeks to arrive after this date.

The School may be able to offer financial support for the purchase of these resources. If you wish to apply for support to fund this resource, please contact the Finance Office; all such applications are dealt with in confidence.

If you have any queries regarding these resources please do not hesitate to contact me.

Yours sincerely

**Mr S Gibson**  
Head of Geography
