Thank you

Further to the publication of our first Newsletter last week, we would like to say a huge thank you to everyone who has supported us so far. We are delighted by the response and comments we have received since the official launch of NCSPA – Newent Community School Parents' Association.

We plan to publish a Newsletter every month, however, we felt we wanted to say "Thank you" and give you all a School Lottery update.

School Lottery Update

We are thrilled to have exceeded our Gloucester School Lottery launch target, to raise £1,300 per year, which is fantastic. We are already 58% towards hitting our new target, to raise £2,600 per year.

To run alongside this lottery we have now launched, Newent's Forest School Lottery. This is run in exactly the same way with tickets costing just £1.00 each per week.

50% of ticket sales will continue to go directly to our cause which is, of course, Newent Community School and Sixth Form Centre. The only difference is the 10% of ticket sales that go to local causes. In the Gloucester School Lottery this will be good causes in Gloucester and in the Forest School Lottery this will be good causes in the Forest of Dean giving you, our supporters a choice.

An Alternative to the School Lottery

We have been contacted by a few parents asking if there is an alternative way of making a donation to our Association and we are incredibly grateful to them.

Therefore, if you would prefer to donate to our fundraising as opposed to the lottery, a one off amount or regular amount would be greatly appreciated. Our bank account details are:

Newent Community School Parents Association
Account No – 75540061
Sort Code – 556108

As per our Newsletter last week, money raised initially will go towards creating a brand new outdoor Meet n Eat seating area.

How can you get involved?

Thank you for your support so far and we look forward to providing you with further updates over coming weeks and months.
