8th October, 2021

Dear Students, Parents and Carers,

It has been a busy week here at school as we conducted our annual Open Mornings and Open Evening for families looking to select a school for September 2022. Student and staff support for the events has been superb and we are all immensely proud of our young people who have acted as wonderful ambassadors for the school.

COVID-19 vaccination programme for children and young people

We have still not received any further information on the planned date that the NHS vaccination team will be visiting our school. We have however been advised that consent for the vaccination will be obtained from parents/carers via an online consent portal. The consent portal information will be sent out to schools 7 days before their planned vaccination date. We will share this information with our school community as soon as it is available.

Year 9 Parents' Information Evening

Thank you to those parents and carers who were able to attend our Year 9 information evening this week. The presentation delivered on the night has been shared via MILK.

Homework Club- Years 7 & 8

Starting on Thursday 14th October, Mrs Barnes will be running a homework club in G10 from 3.30pm – 4.10pm. Please contact Mrs Barnes via email if you would like your child to attend.

Weston Beach Race

Congratulations to Ollie Bubb (Year 8) who came 3rd out of over 100 riders at the Weston Beach Race earlier this term. Ollie can be seen in action below! Very well done.

As mentioned in previous updates, I would be delighted to share positive news stories such as this with our wider school community, so please do let me know if we can help to celebrate your child's achievements.

Regards
