December 2021

Dear Parents / Carers

GCSE Music Revision Resources

We are pleased to offer our GCSE Music students an invaluable resource for their personal use.

Alongside the usual, or expected, subject revision and coursework support book, we are also offering a dedicated exam practice workbook. This workbook will specifically support students in preparing for the aural perception aspect of their exam. Both books would be of benefit to revising students and are highly recommended as preparation materials for GCSE success.

Therefore, I would like to provide the opportunity to purchase the following items to support your child's GCSE Music syllabus:

Item	Cost
GCSE Music OCR Complete Revision & Practice (with Audio CD)	£7.50
GCSE Music Exam Practice Workbook - for the Grade 9-1 Course (with Audio CD & Answers)	£3.25

As an educational establishment we are able to offer these resources, at less than the recommended retail price. Your child has had the chance in class to view each of these items during their lesson.

The School's only method to purchase and pay for these resources is via our Online Shop available [here](#). This item will be available to purchase until Thursday 6 January 2022. Orders will be delivered direct to School and normally take about two weeks to arrive after this date.

The School may be able to offer financial support for the purchase of these resources. If you wish to apply for support to fund this resource, please contact the Finance Office; all such applications are dealt with in confidence.

If you have any queries regarding this event please do not hesitate to contact me.

Yours sincerely

Ellie O'Regan
Head of Music
