July 2022

Dear Y11 students

Congratulations on completing your GCSE examinations. The next stage of your educational career is soon to begin; we are very excited and are ready to welcome you to our sixth form.

Your GCSE results are released nationally on Thursday 25<sup>th</sup> August 2022. You will be able to collect them, in person, from the sixth form common room between **8:30-11:30am**. Staff will also be available to provide guidance on how to confirm your place in our sixth form, as well as offer support and guidance on alternative Post-16 routes and opportunities.

In preparation for your courses in September, we have created the 'Y11 Bridging Work' folder, which can be accessed **here**. You will be able to view additional information relating to the induction day in September, uniform requirements, along with activities to complete in your three chosen subjects. This will give you an introduction to your courses and practice in becoming an accomplished independent learner. I know that you will find the activities both enjoyable and stimulating. Further information about our courses can be accessed from our sixth form subject pages **here**.

If you have any queries regarding results collection, please contact our exams officer, Mrs. Penfold **hpenfold@newent.gloucs.sch.uk**. For sixth form course queries, please contact either myself **lr Rogers@newent.gloucs.sch.uk** or Mr. Britten **IBritten@newent.gloucs.sch.uk** who will be happy to help you.

We are looking forward to celebrating your successes with you on Thursday August 25<sup>th</sup>, and working with you to prepare for university, apprenticeships or employment in the next two exciting years of your educational career.

Enjoy your summer!

With very best wishes,

**Ms. Lissa Rogers. CPsychol  
Director of Sixth Form**
