

Task 1

Create a presentation including the following:

- Favourite movie poster
- Favourite music video
- The biggest news story from July/August
- Favourite TV programme
- Favourite Youtuber/Influencer

Include an image, hyperlink and a justification for each of your choices.

Task 2

Create a 30 second to 1 minute movie, using at least 7 separate shots, for one of the following:

- Buy my stuff
- Watching the Olympics
- I found a bug
- My favourite place
- This is ME!
- (Or a subject of your choice if you have a great idea?!)

You don't have to edit the shots together as we will use your video material for a skills build in September.

Rules:

Use your phone or a camera.

Record in SD or HD but NOT 4K.

You must film in Landscape format (Wider than it is tall!).

The movie must have at least 7 separate shots.

Think about colour, lighting and composition

Consider how each shot is framed to provide a range of compositions – Shot types include panoramic, wide-shot, mid-shot, close-up. Extreme close-up.

You **MUST** bring your presentation and video clips to school in September either uploaded to OneDrive or on a memory stick.
