

## **Student Destinations 2025**

Our support programme in the school is designed to equip students for every stage of their journey with the involvement of a range of external partners including colleges, universities and employers.

At Newent Community School and Sixth Form Centre, we want every student to feel confident about their future. Our careers programme is shaped by real destinations data, showing where students go after post-16 and post-18. This means the advice and opportunities we provide are grounded in evidence, helping young people make informed choices about university, apprenticeships, training, or employment.

| <b>Post 18 Destinations 2025</b> |     |
|----------------------------------|-----|
| University                       | 57% |
| FE Colleges                      | 7%  |
| Apprenticeships                  | 7%  |
| Employment                       | 19% |
| Gap Year                         | 10% |

| <b>Post 18 Destinations 2024</b> |     |
|----------------------------------|-----|
| University                       | 61% |
| FE Colleges                      | 0%  |
| Apprenticeships                  | 3%  |
| Employment                       | 27% |
| Gap Year                         | 9%  |

| <b>Post 18 Destinations 2023</b> |          |
|----------------------------------|----------|
|                                  | <b>%</b> |
| University                       | 33.33%   |
| FE Colleges                      | 0%       |
| Apprenticeships                  | 19.7%    |
| Employment                       | 30.3%    |
| Gap Year                         | 16.67%   |

## **Post 16**

| <b>Post 16 Destinations 2025</b> |          |
|----------------------------------|----------|
|                                  | <b>%</b> |
| Newent Sixth Form                | 24%      |
| Other Schools                    | TBC      |
| FE Colleges                      | TBC      |
| Apprenticeships                  | TBC      |
| NEET                             | 3.31%    |
