

Safeguarding Notice

Our Commitment to Keeping Students Safe

At Newent Community School and Sixth Form Centre, safeguarding and promoting the welfare of children is everyone's responsibility. All staff are trained to identify and respond to concerns regarding abuse, neglect, exploitation, and other safeguarding issues.

We are fully committed to ensuring a safe, supportive, and inclusive environment for all students. We follow statutory guidance as outlined in [Keeping Children Safe in Education \(2025\)](#) and work in partnership with parents, carers, and external agencies to protect our young people from harm.

If you have a safeguarding concern:

- **Students:** Speak to a trusted adult as seen on our posters or a member of staff immediately.
- **Visitors:** Report any concerns to a Designated Safeguarding Lead (DSL) or reception without delay.
